IV. PLAN REVIEW REQUIRED

Plans must be submitted with this application and the appropriate fee before a permit can be issued, except as listed below.

Plans are not required for the following:

- One and two-family dwelling containing not more than 3,500 square feet of building area.
- Alterations and repair work determined by the plumbing official to be of a minor nature.
- Buildings with a required plumbing fixture count less than 12.
- Work completed by a governmental subdivision or state agency costing less than \$15,000.00.

If work being performed is described above, check box below **"Plans Not Required."**

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act No. 299

Plans Not Required

V. LICENSING REQUIREMENT

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of Section 23a are subjected to civil fines. Section 106.4 of the Plumbing Code as adopted requires that a contractor licensed under 2002 PA 733, MCL 338.3511 apply for a permit to erect, alter, install, enlarge, repair, remove, convert or replace a plumbing system regulated by this code. This work may not be performed by an unlicensed individual, i.e. homeowner.

VI. APPLICANT SIGNATURE

. Signature of Licensee or Homeowner (Homeowner signature indicates compliance with Section V, Homeowner Affidavit.)
