Proposal 22-1

A proposal to amend the state constitution to require annual public financial disclosure reports by legislators and other state officers and change state legislator term limit to 12 total years in legislature

This proposed constitutional amendment would:

- Require members of legislature, governor, lieutenant governor, secretary of state, and attorney general file annual public financial disclosure reports after 2023, including assets, liabilities, income sources, future employment agreements, gifts, travel reimbursements, and positions held in organizations except religious, social, and political organizations.
- Require legislature implement but not limit or restrict reporting requirements.
- Replace current term limits for state representatives and state senators with a 12-year total limit in any combination between house and senate, except a person elected to senate in 2022 may be elected the number of times allowed when that person became a candidate.

County

Oakland County Public Transportation Millage

A proposal to authorize Oakland County to levy a millage for the purpose of funding public transportation services in Oakland County, including operating, maintaining, improving, and expanding transit services, creating and expanding new fixed routes for bus service connecting local communities, expanding transportation services for seniors, veterans, and people with disabilities, and providing transportation to get employees to jobs, patients to healthcare, students to colleges and universities, for the general public to have more transportation options, and for related purposes authorized by law.

This millage would be levied at a maximum rate of .95 mills (95 cents per \$1,000 in taxable value) for a period of 10 years beginning in 2022 and ending in 2031.

This millage would replace an expiring millage levied by the Oakland County Public Transportation Authority supporting the Suburban Mobility Authority for Regional Transportation (SMART), and fund replacement of other local public transportation millages.

If this new millage is approved and levied, revenue will be distributed to Oakland County, SMART, North Oakland Transportation Authority (NOTA), Older Persons' Commission (OPC), and the Western Oakland Transportation Authority (WOTA). It is estimated that \$66,163,000 will be collected in the first year. Expenditure of revenue from the millage will be subject to oversight by the Oakland County Board of Commissioners and to independent audits.
