

July 10, 2019

Dear Country Club Drive Residents:

The contractor was able to complete all the concrete curb work on Tuesday, July 9th. Just another reminder that you are able to park on the northbound side of the road, near your home. You can walk on the newly poured concrete, however there should be no vehicle traffic on the curbs for 7 days. We will continue to keep you updated on the project. As always, if you have any questions or require assistance during this time please contact the onsite field representative or the project engineer. Thank you for your continued cooperation.

Onsite Field Representative Dave David (248) 535 3399

Project Engineer Lia Michaels (586) 634 6211
