

August 2, 2019

Residents:

Thank you for your cooperation with the construction and intermittent road closure of Chesterfield Road this week. We will continue to send out timely e-mail communication on road closures as soon as we are notified.

The contractor will progress with water main installation on Chesterfield Road, before moving to begin the water main work on Lakewood Drive.

If you need assistance with access to or from your property, please contact the Onsite Field Representative, Dave David.

If residents in the area not receiving our e-mail updates would like to be added to the confidential email database, please provide name, address and email address to City Clerk Amy Burton at [aburton@bloomfieldhillsmi.net](mailto:aburton@bloomfieldhillsmi.net). The City's website is also current with road program information at [www.bloomfieldhillsmi.net](http://www.bloomfieldhillsmi.net)

Project Contacts:

Onsite Field Representative Dave David (248) 535-3399

Project Engineer Lia Michaels (248) 454-6812
