

August 15, 2019

Residents:

Construction crews are scheduled to mill down and pave the roads as follows:

Friday, August 16th: Falmouth and Bennington will be milled down.

Monday, August 19th: New road paving is scheduled for Kennebec, Falmouth and Bennington.

As always, the schedule and work is dependent on weather conditions. Please contact the Onsite Field Representative or the Project Engineer should you have questions or need assistance during the active construction near your home.

Onsite Field Representative Tom Cairo (248) 535-3437

Project Engineer Melissa Coatta (248) 454-6567
